The Director noted the press play on missile monitoring stations in China and arms to Afghanistan insurgents and said that because they appeared in the press does not necessarily mean they are true or accurate. The Director admonished that the fact stories like these appear in the press does not mean that employees are free to talk about them. [ ]

25X1

In response to the Director's question about whether any significant activities were at stake in the budget review, [ ] said no, although for CIA there is a question about whether funds for CA should be put in the Reserve for Contingency fund or in the CA account. A general discussion ensued on the budget. [ ]

Briggs noted the Executive Committee will discuss Identities and cover at a future meeting. [ ]

25X1

McMahon reported that [ ] of the NIC briefed five SSCI staff members on the SNIE on terrorism. (C)

25X1

McMahon noted that he was concerned with State's reluctance to rebut press criticism of the White Paper on El Salvador. The Director said he will call Secretary Haig to discuss the possibility of State issuing a rebuttal to the criticism. [ ]

25X1

In response to the Director's question, McMahon and Stein noted that the disinformation paper on Cuban involvement in El Salvador is being redrafted in DDO and should be ready in about a week and a half. [ ]

25X1

Hetu noted that Kevin Mulcahy appeared on the "Today Show" on 22 June to discuss the Wilson/Terpil case and to express his discontent over the fact that it has taken so long for the Government to prosecute the two. Sporkin said he is in the process of preparing a report to the Director on his weekend meeting with prosecutors at the Justice Department. Sporkin recommended that the Director send a notice to all employees reminding them to be circumspect in their dealings with former employees. The major concern with the Wilson/Terpil situation is that the way it is being presented makes it appear that the Agency may be involved with them. [ ]

25X1

[ ] reported that OMB had sent its apportionment on the 1981 Supplemental and that the allotments will be sent to directorates by the Comptroller's office today or tomorrow. [ ]

25X1

25X1

Glerum noted that he is confident CIA will meet the personnel ceiling for Fiscal Year 1981; the problem of recruiting now is to fill specific requirements levied by offices. [ ]
